

The Field and Study Montessori Pre-School

Entry Questionnaire

16 months – 6 Years Old.

As Covid-19 continues to spread globally, the Field and Study Montessori is monitoring this closely. Your child's health and safety are as important to us as it is to you. Please go through these questions every morning and answer them truthfully, this will help you decide whether it is fine for your child to attend school that day.

| | |
|----------------------|------------------|
| Child's First Name: | Child's Surname: |
| | |
| Child's temperature: | |

| Please circle the answer for the following questions | | | |
|--|--|-----|----|
| 1 | Does your child have a high temperature or fever? | yes | no |
| 2 | Does your child have a new cough? | yes | no |
| 3 | Does your child complain about having a sore throat? | yes | no |
| 4 | Does your child have a new difficulty to breath or shortness of breath? | yes | no |
| 5 | Does your child complain about feeling weak or tired? | yes | no |
| 6 | Did your child indicate to you that food or drinks taste different than usual? | yes | no |
| 7 | Are there any signs that your child's sense of smell is affected? | yes | no |
| 8 | Have you or your child been in contact with anyone who has or is suspected to have COVID-19 in the past 2 weeks? | | |

If any of the answers above are 'yes' please keep your child at home.
If all the answers are 'no' your child is ready to come to school.
Thank you for helping us keep our children safe and healthy!

Disclaimer: This questionnaire doesn't replace professional medical consultations with a practicing nurse or doctor. You should seek medical advice and assistance if you show any symptoms or if you're concerned about your current state of health. If you have flu-like symptoms, and have come into contact with someone who has COVID-19, please contact the provincial hotline for advice on what to do next. Please always get a second opinion if you are at all concerned.
